HW CompSoc

STARTER BRAND GUIDE / OCTOBER 2026

01 / The logo

Blue + cyan on light backgrounds

White + cyan on dark backgrounds

Use the complete lockup for primary branding. Use the cursor for compact placements where HW CompSoc is already named. Black and white-mono variants are also included.

02 / Colour palette

Primary blue
#004066
RGB 0, 64, 102

Accent cyan
#00A1CC
RGB 0, 161, 204

White
#FFFFFF
RGB 255, 255, 255

Black
#000000
RGB 0, 0, 0

Use the same accent cyan #00A1CC on both light and dark backgrounds.
Dark background matched to primary blue. Use the printer's profile for CMYK conversion.

03 / Placement & legibility

Clear space: leave at least the height of the H in HW on all sides of the full logo.
For the cursor icon, leave one quarter of the icon width clear on all sides.
Starter minimum widths: full logo 240 px / 50 mm; cursor 32 px / 8 mm.
Check legibility at the final size. Use a plain background with strong contrast.

04 / Use the files

SVG: scalable artwork with outlined lettering. PNG: transparent, ready-to-use exports.
Keep the proportions and colours. Do not stretch, rotate, add effects or retype the logo.
The original typeface is unconfirmed; no supporting brand font is specified in this kit.

Starter guidance, not an existing official standard. Transparent variants share one vector master.
Open index.html to browse. See README.md for file choices and palette notes.
